

WÜRTH FINANCE INTERNATIONAL B.V.

We are looking to expand our team with a:

Master Data Associate, 80-100 %

You love administrative tasks and have good computer skills. You manage, process and verify the master data of the Würth companies and their suppliers and enter the data in our systems. In this job, you will work with deadlines as the master data form the basis for the daily payment runs. You are very accurate and ensure 100 % reliability and security of our data.

Würth Finance International B.V.:

Our company is part of the Würth Group, a worldwide concern/family business of German origin. The Würth Group is world market leader in the production of assembly and fastening materials. It currently consists of over 400 companies and is active in more than 80 countries. The majority of these Würth companies do not conduct their bank business locally in their own town or country, but centrally with Würth Finance International B.V., the Group's inhouse bank. We operate from our headquarters in 's-Hertogenbosch and the branch office in Rorschach (Switzerland).

The Master Data Team is part of the Payment Factory Department and manages master data. The Master Data Team is the youngest team within Würth Finance and is constantly developing. We have set ourselves a clear goal and that is to play a central role in master data management, not only within Würth Finance, but also within the Würth Group.

To be successful in the role of Master Data Associate you:

- Have an MBO+ working - and thinking level
- Have proven administrative work experience (it is fine if you have gained this experience in an internship)
- Have good communication skills
- Are accurate (down to the last detail) as our data must be 100 % secure and reliable.
- Have good judgement skills, a good sense of responsibility and a critical eye
- Keep a cool head under pressure, you keep an overview whilst working with short deadlines
- Have work experience with MS Office incl. Excel. Knowledge of MS Teams is a plus
- SAP know-how is a plus
- Have a good business command of the Dutch and English languages because of the many international contacts you will maintain. You are willing to learn German

WÜRTH FINANCE INTERNATIONAL B.V.

What we offer you:

A great job in a young and international team in a brand new office. We have an international, informal yet professional working environment. Our culture is characterized by an open, cooperative and family atmosphere. After an induction period at the office, you have the possibility to partly work from home. Besides, we offer the following benefits:

- Good salary and bonus scheme
- A very good secondary benefits package
- Possibility to follow trainings and courses and access to GoodHabitZ
- Fun (inter)national team- and company events
- The opportunity for a business trip to our Rorschach office, Switzerland

Grow your career with us

As the **inhouse bank** of the decentrally organised Würth Group, **Würth Finance International B.V.** provides the Group companies with various financial services which include treasury services, financial risk management, international payment transactions, and e-payments.

WÜRTH FINANCE INTERNATIONAL B.V. is the financial competence center (Treasury Services, Financial Risk management, International Payment Services and Omnichannel electronic payments) for the Würth Group. We work in close collaboration with the Group companies, ensuring that the necessary liquid funds are available to the Würth Group at all times and that the Group's financial resources are optimally utilised. The Würth Group is world market leader in its core business, the trade in assembly and fastening material. It currently consists of over 400 companies in more than 80 countries and has over 83,000 employees on its payroll.
