

Würth Finance International B.V.

Financial Administrative Associate

**'s-Hertogenbosch****50 – 60%**

We make Treasury smart – become part of a future-oriented in-house bank.

Würth Finance International B.V. is the Treasury Center and in-house bank of the globally operating Würth Group and plays a key role in safeguarding its financial stability. From our office in 's-Hertogenbosch, we support more than 400 Group companies in the areas of financing, payment transactions, risk management and account management. For our Account Management team, we are looking for an accurate and service-oriented Financial Administrative Associate.

Your role

As a Financial Administrative Associate, you will be responsible for the operational management of internal bank accounts for Würth Group companies worldwide. You ensure that processes run smoothly, data is accurately maintained, and customers are assisted quickly and professionally. You will work closely with colleagues in various countries and make an important contribution to delivering reliable and professional services throughout the Würth Group.

Your responsibilities include

- Managing the complete lifecycle of internal bank accounts (opening, amending and closing accounts)
- Processing and maintaining authorisations and access rights for the banking portal
- Maintaining and reviewing master data and account information
- Supporting tax documentation and withholding tax processes
- Performing controls and checks for monthly and quarterly closing activities
- Responding to enquiries from colleagues across the international Würth Group

What you bring

- Higher professional education (HBO) working and thinking level
- A degree or experience in Finance, Accounting or Business Administration is an advantage
- Some familiarity with financial products such as deposits, bank guarantees and withholding tax
- Knowledge of financial processes, contract management and reporting
- Experience with SAP and Microsoft Office, particularly Excel
- A strong affinity for IT and the ability to quickly learn new systems
- Good professional command of English and German (minimum B2 level)

Würth Finance International B.V.

About you

You are a structured professional who enjoys supporting colleagues and providing excellent service. In addition, you recognise yourself in the following qualities:

- Customer-focused and service-oriented
- Accurate and detail-oriented
- Proactive and solution-driven
- Strong analytical and numerical skills
- Good communication skills
- Able to work independently while also being a true team player
- Well organised and capable of managing multiple priorities

What we offer

- **Room to grow:** Personal and professional development with excellent support and benefits.
- **Dynamic Work Environment:** You will collaborate with colleagues and Group companies worldwide and gain valuable insight into the financial processes of an international market leader.
- **Informal and engaged culture:** At Würth Finance, we believe in short communication lines, collaboration and appreciation for everyone's contribution. You will join a professional organisation with a family-oriented culture.
- **Attractive employment conditions:** Parttime position (50-60%), 30 vacation days (based on fulltime employment), competitive salary, excellent pension scheme largely funded by the employer, modern workplace in 's-Hertogenbosch and more.

Working at Würth Finance International B.V.

At Würth Finance International B.V., you will work in an international environment characterised by collaboration, responsibility and open communication. Here, you can actively shape the future of Treasury and take on responsibility – both by safeguarding the financial stability of the Würth Group and developing forward-looking Treasury solutions. You will have the opportunity to work in a dynamic environment with more than 400 companies worldwide and contribute your ideas within a close-knit team. We offer you the opportunity to realise your potential, both professionally and personally. We rely on smart solutions that increase efficiency and help keep the Würth Group financially successful.
