

Würth Finance International B.V.

Treasury Controller

**'s-Hertogenbosch****80 – 100%**

We make Treasury smart – become part of a future-oriented in-house bank.

Würth Finance International B.V. is the Treasury Center and in-house bank of the globally operating Würth Group and plays a key role in safeguarding its financial stability. From our office in 's-Hertogenbosch, we support more than 400 Group companies in the areas of financing, payment transactions, risk management and reporting. For our Accounting & Controlling team we are looking to expand our team with a Treasury Controller.

Your role

As a Treasury Controller, you will act as an important link between Treasury, Risk Management, Accounting, Compliance, and Management. You will monitor financial risks, support decision-making through meaningful reporting, and ensure compliance with internal regulations and external regulatory requirements.

Your responsibilities include

- Operational responsibility for day-to-day business (monitoring, reporting, market data)
- Securities portfolio: performance reporting and investment controlling
- Preparation of analyses and presentations for Management and the Board of Directors
- Participation in projects as well as internal and external audits
- Further development of various financial risk policies and guidelines

What you bring

- Several years of experience in Treasury, Treasury Management, Risk Management, Financial Controlling or Banking
- University degree in Business Administration, Finance, or a related field. CFA program is an advantage
- Strong understanding of financial instruments, financial markets, and risk management principles (valuation of FX, interest rate, and commodity derivatives as well as application of hedge accounting).
- Strong IT affinity; knowledge of Kyriba and SAP is an advantage
- Fluent English skills (B2 level) are required, basic knowledge of German and willingness to learn/improve up to B2 level
- Willingness to travel on a regular basis to foster cross-site collaboration and knowledge sharing

Würth Finance International B.V.

You are an analytical finance professional with a strong eye for detail and a passion for treasury, risk management, financial controlling and reporting. In addition, you recognise yourself in the following qualities:

- Strong analytical and problem-solving skills
- High attention to detail and commitment to accuracy
- Risk-aware mindset with a sound understanding of financial controls
- Excellent communication skills with the ability to translate complex financial matters into clear insights
- Strong stakeholder management and collaboration skills
- Ability to work independently and take ownership of deliverables
- Well-organised and capable of managing multiple priorities and deadlines
- Proactive mindset with a continuous improvement attitude

What we offer

- **Room to grow:** Personal and professional development with excellent support and benefits.
- **Shape the future:** In an international environment, you will be given responsibility and the opportunity to help shape the treasury function of the future.
- **Informal and engaged culture:** At Würth Finance, we believe in short communication lines, collaboration and appreciation for everyone's contribution. You will join a professional organisation with a family-oriented culture.
- **Attractive employment conditions:** A hybrid working environment, 30 vacation days (based on fulltime employment), competitive salary, excellent pension scheme largely funded by the employer, modern workplace in 's-Hertogenbosch and more.

Working at Würth Finance International B.V.
